

IN THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF VIRGINIA

Alexandria Division

UNITED STATES OF AMERICA	)	
	)	
v.	)	No. 1:24-MJ-277
	)	
MOHAMMAD K. DABOUS,	)	
	)	
Defendant.	)	

**CONSENT MOTION FOR ENTRY OF AN AGREED PROTECTIVE ORDER**

To expedite the government's disclosure of gate camera materials ("Video materials") in misdemeanor and petty offense cases, and to adequately protect the privacy rights of the persons depicted therein, pursuant to the Court's authority under Fed. R. Crim. P. 16(d)(1), and with the consent of defense counsel, the Government requests entry of the proposed protective order.

1. As part of the discovery in this matter, the United States intends to produce Video materials and other investigative materials that may contain the visual depictions, confidential information, and/or personal identifying information ("PII") of potential witnesses, and other third parties.

2. The need to produce much of this data in its original format, together with the volume of the data and the interests in producing the material expeditiously, makes it infeasible to make redactions to the materials.

3. Accordingly, the proposed Protective Order regulates discovery in this case by restricting the use and dissemination of documents, videos, and other

information obtained through discovery that contain certain jointly agreed-upon categories of Sensitive information.

WHEREFORE, the undersigned, with the consent of counsel for the defendant, respectfully requests that the Court enter the proposed Protective Order.

Respectfully Submitted,

Jessica D. Aber  
United States Attorney
